It is the way we are answering the call to reduce our overall resource usage and take aggressive and proactive measures to preserve our environment for future generations. We're doing all we can to make our venues—and the meetings and events that happen here—a whole lot greener.

Around the world, Caesars Entertainment has earned nearly 90 awards, recognitions and certifications for our sustainability policies and environmentally friendly practices:

- Our CodeGreen meetings practice follows Accepted Practices Exchange (APEX) guidelines to promote and enhance environmental and operational efficiencies.
- In Las Vegas, our Caesars Palace Convention Center expansion has earned LEED Silver certification and we are on track to achieve LEED certification for all newly built convention space as well as any expansions.
- In Atlantic City, the new Waterfront Conference Center at Harrah's Atlantic City was built to LEED Silver Certification standards and is designed to use 20.6% less energy than a typical building.

- We are a member of the Global Sustainable Tourism Council to promote and build awareness for sustainable tourism practices and principles.
- We work with cross-sector frameworks such as the Global Reporting Initiative, and we report on programs and practices beyond environmental impact.
- In just five years, we've reduced our carbon footprint by 11.4% and reduced energy use by 19%, and our recycling and waste programs have diverted overall waste at U.S. properties by 24%.
- Our properties have thousands of low-flow water controls and fixtures that have helped to reduce our water use by 7% since 2008.

WE MAKE IT EASY TO BE GREEN.

We can help your meetings be green, too.

Our sales and operations staff are independently certified as Green Meetings Professionals. When you plan with Caesars, we'll find ways to meet your company's and clients' sustainability goals without putting a crimp in your meeting's effectiveness—or your meeting budget.

We are rooted in the places we call home and work to support our communities for the long term. Through our corporate citizenship efforts, the communities that we are part of experience the positive impact that our company and our people make.

Our local communities are of utmost importance to us, and we play an active role through volunteerism, economic contributions, in-kind support and advocating for social causes. Caesars gives triple the estimated average of U.S. corporations for every \$10 million in revenue.

THE WILL TO DO WONDERS

The Caesars Foundation is funded by operating income from Caesars properties. Since 2002, the Caesars Foundation has donated more than \$70 million to support our communities. Giving is focused on four main areas: helping older individuals, promoting a sustainable world supporting educational innovations and strengthening communities in which we operate.

CLEAN THE WORLD

One of Caesars' proud partnerships is with Clean the World, a charitable organization dedicated to saving lives and preserving the environment. Team Members collect discarded soaps and shampoos and send them to Clean the World, where they are recycled and distributed to at-risk communities around the world.

SECOND WIND DREAMS

This organization is dedicated to changing the perception of aging through the fulfillment of dreams and offering innovative educational opportunities to caregivers and communities. Caesars HERO volunteers assist in this effort at many properties. In Spring 2014, Las Vegas HERO volunteers joined an Elvis impersonator at the Silver Ridge Health Care Center to fulfill two dreams. Magdalena, age 100, and Marcia, age 58, were overjoyed to receive a special performance from their favorite singer. Magdalena even sang along with her favorite song, "Are You Lonesome Tonight?" This fulfilled dream has become a treasured memory for everyone involved.

TOGETHER WE MAKE A DIFFERENCE

- **Caesars HEROs volunteered nearly 200,000 hours in 2014**
- **Caesars U.S. societal contributions totaled more than \$4.5 billion in 2012**
- **Caesars U.S. property giving topped \$5.9 million in 2014**
- **Clean the World has distributed 1.6 million bars of soap based on Caesars contributions alone**
- **Caesars Foundation has provided \$1.1 million to Second Wind Dreams since 2008**

LAS VEGAS MEANS BUSINESS

Las Vegas is an ideal location for meetings and events and offers unrivaled value. The city conducts an average of 19,000 meetings, conventions and incentive programs a year, ranging in size from 10 to 100,000 attendees. We know how to do business and customers consistently select us because we provide an excellent return on investment for the companies that come here.

Las Vegas offers 150,000 rooms and more than 10.5 million square feet of meeting space, with options to fit all needs and budgets. Over 900 convenient flights daily between Las Vegas and cities around the globe provide reasonable airfares and easy access. The proximity of the airport—just one mile from the heart of the city—reduces ground travel time and expense. And it's easier to entice attendees: 47 percent of convention visitors said that holding an event in Las Vegas increased their interest in attending.

Planners prefer Las Vegas, too. They ranked the city #1 as being good for large trade shows, being inexpensive and easy to get to, having convenient airline service and having good hotels. And among corporate planners surveyed, Las Vegas ranked #1 for having excellent meeting facilities.*

“Las Vegas has the facilities, the service, the infrastructure and the experience to help us achieve our objectives and get real, quantifiable value out of our meetings.”

– Tim Gilmore, Vice President of Sales, MATCO Tools

“When we host our programs in Las Vegas, our attendees rave about everything from the accommodations, to the food, to the amenities. But what we hear about more than anything else is the service. The meeting professionals in Las Vegas get why we are here, take the time to understand our objectives and know how to help us get the maximum return on our investment.”

– John Cudahy, President, International Council of Air Shows

CASCATA®

Cascata, Italian for “waterfall,” is aptly named. A 418-foot waterfall flows from the steep mountainside, tumbling over mammoth boulders and cascading into a river that roars through the clubhouse before eventually culminating in a tranquil stream. It’s no wonder *Sports Illustrated* called it “golf’s hidden treasure.”

The option to organize tournaments is also available.

RIO SECCO®

Nestled in the foothills of the Black Mountain Range, this 18-hole championship course is home to the Butch Harmon School of Golf. For a truly unique setting, consider holding your small meeting of up to 35 people in the private locker room, where the lockers in the background belong to some of the game's greatest players, including Tiger Woods.
