WYNDHAM GRAND RESORT & SPA

LOCATION

We are located in the extraordinary beauty of the Sonoran Desert above Tucson, Arizona. Anchoring 80 acres of Santa Catalina Mountain foothills, the hacienda-style hideaway began as a private residence in 1912. Almost 100 years later, the resort offers an authentic experience with the living desert—plus 241 guest rooms and suites lavished in four-star, four-diamond service and amenities.

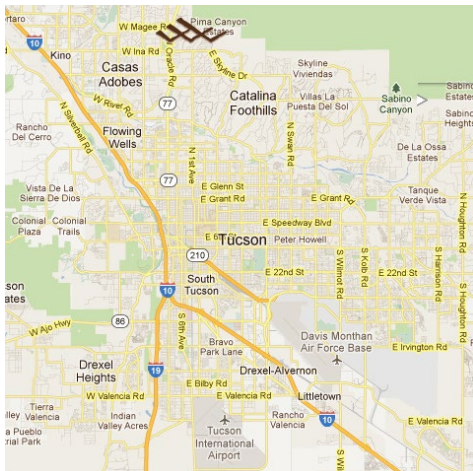

Recently renovated and expanded to meet the needs of today's most sophisticated travelers, the resort now hosts groups with 16 meeting venues spread over 20,000 square feet of function space. The latest addition, the 4,500-square-foot Sonoran Ballroom, echoes the resort's traditional adobe design and offers panoramic views from its rooftop terrace. Event support consists of state-of-the-art audiovisual equipment, a top-notch catering team, and meeting professionals ready to accommodate any agenda, whether a general assembly, meeting of the board, educational program, or team-building effort.
